

## RECRUITER STRIP

Pack 31 awards Cub Scouts the Recruiter strip the first time they are successful in getting a friend, relative, classmate, or other acquaintance to join our Pack. Siblings do not count. Only one strip is awarded to a boy. Only one Scout can receive the strip for each recruit who joins.

This award is worn centered below the bottom of the right pocket. If a Tiger Cup Strip award has been earned, it goes below that award.

To receive the award, fill out the application below and turn in to your den or unit leader.
